

Dear readers,

MEST Journal is an official international academic journal, of the non-profit organization MESTE, published online as well as print (subscription), which publishes scientific and professional research articles and reviews in English language.

The focal point of the journal is at international level, with the view on matters from a global perspective, but, also, some papers concerning some local specific events could be published. The science and technological advancement and its socio-political impact that happens all over the world can find place in the MEST Journal.

Mission of the journal is to help scientists and professionals to exchange experiences, and to present their achievements to the world for the general progress of the society.

Vision of the journal is to be, together with other MESTE journals, among the most cited journals in the world thanking to our work and to the quality of the papers that we will publish on the benefit of all our readers.

MEST Journal welcomes high quality, original research articles and reviews from scientists and professionals, professors and PhD students in the areas covered by its thematic. Papers will be peer reviewed and published online and in print. For details, please, see the Instructions for authors.

MEST Journal publishes interdisciplinary articles from the areas of: management, education, science & society, and technologies, as it is shown in "*Thematic areas*", but these are not exclusive themed areas.

For MEST Journal it is acceptable to publish extended versions of the best papers from scientific conferences held recently.

The papers will be published in accordance with the proposals of reviewers and the opinion of the Editorial Board.

MEST Journal will be published twice a year, but draft versions of accepted articles will be on reader's disposal as "Read preview" as soon as they will be accepted for publishing.

To help readers in citing our articles, MEST Journal gives "ready to copy" references on several systems: *APA (Sixth Edition)*, *Chicago (Fifteenth Edition)*, *GOST (Name Sort, 2003)*, *Harvard (Anglia, 2008)*, *ISO 690 (Numerical Reference, 1987)*.

I wish you to enjoy reading our articles, and hope that our articles will help you in your future endeavors and, also, I invite you to publish your works, because, if you wish to be famous and quoted, people first have to hear for you. We will help you!
